Custom Charter Transportation For University Events

How Our University Events Program is Different:

LONG DISTANCE, FRIENDLY, EXPERIENCED DRIVERS - Our University Events program ensures that you're matched with an experienced, friendly driver you're comfortable with. Usually, we match you with a driver you'll recognize from a prior trip. Most of our customers befriend their drivers. Develop a trusting rapport with your driver and have a better traveling experience. Did you know that we give our long distance drivers extra training? That's right - you'll only be paired with select drivers who are certified for long distance, nighttime travel with large groups.

CUSTOMIZED ITINERARIES - Have a special gas station or restaurant you're accustomed to stopping at? We have you covered! Our University Event program is designed to give you the custom itinerary you need for special events. Because of our vast experience and special driver training, we can even handle last minute itinerary changes. Accommodate Large Groups - Unlike many other travel companies, we own our fleet of charter busses and can accommodate very large groups for your events. You won't have to deal with multiple companies or worry that your group is too large - we're prepared to help all group sizes.

LOVE TECHNOLOGY AND TRAVEL - Free Wifi, DVD Players, 110 Volt plugs for charging devices, Satellite TV - we have it all! Need to watch a pre-game hype movie or opponent footage? Want to be entertained with a new movie on the way home? Have a highlight reel that improves group morale? Our state of the art charter busses can help keep you focused and entertained throughout your trip.

ARRIVE SAFELY AND ON TIME - Safety is our number one priority. Our drivers are friendly, helpful, and most of all, extremely skilled at their jobs. Our detailed planning and skilled staff will help make sure you have the best experience possible. That means arriving safely, on-time, and having had an enjoyable ride.

1 ON 1 POINT OF CONTACT - Have a question? Need help planning your trip? Changing the itinerary at the last minute? Don't worry about calling a general office number. You won't speak to five different people, afraid that your message got lost in translation. We're a family owned business committed to personal customer service. You'll have one point of contact whose sole focus is making sure you're taken care of. Receive his direct number and call anytime. We're here to make your trip a complete success!
